IMPORTANT NOTE: Please read this announcement in its entirety through Page 2

1 Pursuant to Section 26011.8(h)(2) of the Public Resources Code, for the 2022, 2023, and 2024 calendar years, the exclusions granted pursuant to Section 6010.8 of the Revenue and Taxation Code for projects approved by the authority shall not exceed \$115 million, of which \$15 million shall be made available to only projects that manufacture, refine, extract, process or recover lithium.

2 Pursuant to program regulation Section 10032(a)(6), to the extent the total sales and use tax exclusion awarded during the calendar year reaches the Statutory Cap, additional Applications will not be reviewed during that calendar year. To the extent that additional STE becomes available during the calendar year, it will be awarded first to the last Applicant considered, if that Applicant did not receive its full STE request, then Applications on the waiting list will be reviewed and presented to the CAEATFA Board for approval in the order in which those Applications are ranked based on Competitive Criteria.

The Executive Director may reschedule or amend any previously announced application period by providing notice on the Authority website and may reschedule or relocate any previously announced Authority Board meeting so long as the information is posted on the Authority website at least ten (10) days before the scheduled meeting.
