# INTRODUCTION

Constitutional and statutory provisions require voters to authorize general obligation (GO) bonds issued by state and local governments. For bonds issued by the state, the authorization must be made through a statewide election. Local bonds must be approved by voters within the jurisdiction authorizing the bond. The state and local governments must also seek voter approval for levies of certain revenue exactions and taxes. For both state and local measures, the voter approval threshold depends on the type and purpose of the bond or tax (see Figure 1).

After each statewide election, the California Debt and Investment Advisory Commission (CDIAC) publishes a statistical summary and review of bond and tax measures appearing on state and local ballots. This report, the 34th in the series, summarizes the results of bond and tax measures on the November 6, 2018 General Election ballot as well as a local election that occurred on September 18, 2018. This report also contains appendices which summarize the

measures by county, region, type of tax and purpose.

# 2018 LOCAL AND GENERAL ELECTION RESULTS

## SUMMARY

- *Total measures* – Voters considered six statewide and 384 local fiscal measures. One local measure contained a \$230 million tax allocation bond that required 55% voter approval.<sup>1</sup>
- *Approved measures* – Voters approved 317 (81.3 percent) of the measures: three statewide measures and 314 local measures.
- *Passage rates* – Local general tax measures received the greatest support from voters with a 90.2 percent approval rate. (Figure 2)

<b>TOTAL</b>	<b>390</b>	<b>317</b>	<b>81.3%</b>

<sup>1</sup> Includes four general tax measures, which all passed, that required two-thirds voter approval.

<sup>2</sup> Includes four State GO bond measures, three of which passed, that required majority voter approval.

<sup>3</sup> Includes four special tax measures, which required majority voter approval. One of these measures is a state measure, the only measure in this category that did not receive voter approval.

<sup>1</sup> This tax allocation bond measure was placed on the ballot by an enhanced infrastructure financing district to finance public facilities, including roads, parks, police and fire stations, libraries, water lines, and sewers. The requirement for passage for this measure is 55 percent.

## GENERAL OBLIGATION BOND MEASURES

- *Strong support for GO bond measures* – Voters approved 80.8 percent of these measures. (Figure 3)
- *Volume of approved measures* – Voters approved approximately \$20.3 billion in GO bond measures.
- *K-12 educational focus* – 83.2 percent of the GO bond measures were for K-12 education. (Figure 4)
- *Strong support for K-12 educational GO bonds* – Voters approved 84.6 percent (approximately \$8.6 billion) of K-12 education GO bond measures.
- *Strong support for community college GO bonds* – Voters approved 92.9 percent (approximately \$7.5 billion) of community college GO bond measures.

TOTAL	125	100.0%	101	80.8%

<sup>1</sup> Includes four state GO bond measures: affordable housing, mental health, children's hospital, and water, the only state GO bond measure that was not approved by voters.

<sup>2</sup> Includes various purposes such as STEM job opportunities programs, amendment of property tax rules, mental health services, cemetery maintenance, clubhouse renovations, district facilities maintenance, early childhood education, drug prevention, literacy programs, housing programs, park and recreation facilities, library, youth programs, parks and open space, and beaches.

## TAX MEASURES

- *Support for tax measures* – Voters approved 81.4 percent of state and local (general and special) tax measures. (Figure 5)
- *Support for local general tax measures* – Local general tax measures were strongly supported (90.2 percent passage rate).
- *Majority vs. two-thirds voting requirement* – All but one of the general tax measures only needed a majority of the vote to pass. If these measures had a two-thirds voting requirement, only 48.6 percent (87 of the 179 local general tax measures requiring majority voter approval) would have passed. In contrast, the special tax measures (76), which required two-thirds voter approval to pass, were less supported (61.8 percent passage rate). If these measures required a majority vote, 90.8 percent of the measures (69 of the 76 special tax measures) would have passed.
- *Purpose of taxes* – Most of the tax measures were general taxes for various general government purposes. The remaining measures were for other purposes such as capital improvements, public health and safety, and education. (Figure 6)

## RESULTS BY REGION

The election results are divided into five regions: Bay Area, Central Valley, Los Angeles, San Diego/Inland Empire, and Other. (Figure 7)

- *Approved Measures* – Bay Area region voters were presented with the most measures (116). Voters in multiple regions were presented with the least measures (five).

- *Passage Rates* – The Bay Area region had the highest passage for GO bond and tax measures (93.1 percent). The Central Valley region had the lowest passage rate (73.0 percent).

Figure 8 shows the number and percentage of measures that were approved by region.

# COMPARISON OF THE 2016 AND 2018 GENERAL ELECTIONS

- *Comparative passage rates* – The passage rate of bond and tax measures during the 2018 General Election was 81.5 percent, whereas the 2016 General Election passage rate was 82.6 percent.
- *Comparative number of approved measures* – The number of approved measures in 2018 was 317 and the number of approved measures in 2016 was 357.
- *General government measure passage rates* – General government measures had a lower passage rate in 2016 (83.7 percent) than 2018 (90.1 percent).
- *Special tax measure passage rates* – The passage rate for special tax measures was lower in 2016 (57.9 percent) than 2018 (64.1 percent).
- *Regional passage rates* – Excluding the "Multiple" region category, in the 2016 General Election, the Los Angeles region had the highest passage rate (89.6 percent), but the Bay Area region had the highest passage rate (93.1 percent) in 2018.
- *Passage rates by purpose* – In 2016 the passage rate for education was the highest (93.1 percent) and in 2018, the passage rate for general government (90.1 percent) was the highest.
- *Comparative number of proposed local measures* – The highest percentage of proposed local measures was for education (47.2 percent) in 2016 and general government (48.0 percent) in 2018. The lowest percentage of proposed local measures was for miscellaneous projects in both the 2016 and 2018 General Elections.

Figure 9 provides a summary of the passage requirements for the bond and tax measures appearing on the 2016 General Election and the 2018 General Election ballots.

Figure 10 provides a summary of the types of bond and tax measures on the General Election ballots.

A summary of votes by regions is provided in Figure 11.

## SUMMARY

Voters greatly supported the 2016 and 2018 General Election bond and tax measures (82.6 percent and 81.5 percent, respectively). In both elections, education and general government measures comprised the majority of the ballot measures: 78.4 percent in 2016 and 79.4 percent in 2018. Also, there were more cannabis measures in the 2018 General Election (76) than the 2016 General Election (39) due to the passage of Proposition 64 in the 2016 General Election, which approved the legalization of marijuana for non-medicinal use for adults over 21. In addition, since the 2018 June Primary Election, there was just one local election that presented voters with a fiscal measure. The measure, a parcel tax for fire protection, did not receive voter support.
