The information presented here is preliminary and is made available for informational purposes only. The information is not binding on the Committee or its staff. It does not represent any final decision of the Committee and should not be relied upon as such. Interested parties are cautioned that any action taken in reliance on the preliminary information is taken at the parties' own risk as the information presented is subject to change at any time until formally adopted by the Committee at a duly noticed meeting.

^{*}Preliminary Staff Recommendations include projects that currently have deficiencies and/or appeals pending with the Executive Director. For any deficiencies uncured or appeals that are denied, those projects will not be included on the Final Recommendation List. The Preliminary Staff Recommendations do not include projects that are disqualified or are appealing to the Committee on August 11, 2021.
