

Community Services Infrastructure Grant Program

PROGRAM DESCRIPTION

The Community Services Infrastructure Grant Program (Welf. & Inst. Code, § 5848.51) intends to improve access to jail diversion programs by providing a mechanism for funding a statewide expansion of mental health treatment, substance use disorder treatment, and trauma-centered services via grants available to counties. The California Health Facilities Financing Authority (CHFFA) was assigned the responsibility for developing the program as well as awarding and administering the grants.

ELIGIBLE APPLICANTS

Counties and counties applying jointly are eligible applicants for the CSI Grant Program.

ELIGIBLE COSTS

- ❖ Facility Acquisition
- ❖ Renovation
- ❖ Furnishings/Equipment
- ❖ Information Technology
- ❖ Three Months Start-Up

PROGRAM FUNDING AND OUTCOMES

The CSI Grant Program was allocated \$65,813,000 in a one-time appropriation to fund grant projects.

A total of \$65,665,926.25 in grant funding has been awarded over four funding rounds for 14 projects in 10 counties, that will expand access to jail diversion programs to collectively serve approximately 1,339 individuals annually. The following counties have received CSI grant awards: Los Angeles, Merced, Nevada, Riverside, Sacramento, San Joaquin, San Luis Obispo, Santa Clara, Solano, and Sonoma.

GRANT ENCUMBRANCE AND DISBURSEMENT DEADLINES

Deadlines for grant funds to be encumbered (awarded) and expended (disbursed) were set by the Legislature. All grant projects were awarded by June 30, 2023, and all grant funds must be disbursed, and all programs must be open and operational by June 30, 2025.

APPLICATION SUBMISSION DEADLINE

This program is no longer accepting applications. No future allocations or funding rounds are scheduled.
