California Health Access Model Program Sequel Update (SB 315) Status Update

Ms. Stanton reported on the Appropriations Committee amendments which double joined SB 315 and AB 648 a virtual dental program. Prior to the amendments, the original virtual dental program bill was to be administered by the Department of Public Health and funded by the general fund. The Committee amendments move the administration of the program to CHFFA and the program funding would come from the HELP II fund balance. Staff met with the sponsors and author's offices and is waiting for the Department of Public Health, and Department of Health and Human Services to form a work group to see where CHFFA can fit into this public health project.

Ms. Stanton clarified that the virtual dental program would allocate \$3 million of the \$6.5 million that would be made available for CHAMP II if both SB 315 and SB 648 passed. Chairperson Brown stated that there were significant issues that will need to be addressed.

Investment in Mental Health Wellness Act of 2013

On September 15, 2015, the fourth funding round closed. All applications were scored and Initial Allocation letters were mailed to counties. CHFFA is currently in a 5-day appeal period. There may be an appeal as a result of staff's decisions. Staff expects to bring recommendations for Final Allocation to the Authority at the December 3, 2015 meeting. In addition, grantees may ask the Authority to extend several Resolutions due to various project completion delays.

Item #4 Cedars-Sinai Medical Center ("CSMC"), Los Angeles, California Resolution No. 408

Matthew Saha, staff analyst, stated CSMC was seeking to refund CHFFA Series 2005 bonds and take advantage of the recent decline in interest rates being offered in the market place. CSMC expected the refunding to result in a net present value savings of approximately \$49.1 million over the life of the bonds. Mr. Saha further reported bond proceeds were used to refinance the acquisition, construction, renovation, remodeling and equipping of health facilities owned and operated by CSMC through the refunding of Refunded Series 1993 Certificates and, along with Corporation funds, the advance refunding and defeasance of the Series 1999A bonds.

Representing CSMC: Edward Prunchunas, Senior Vice President of Finance and Chief; and David Wrigley, Vice President of Finance. Also present: Jenna Magan, Bond Counsel, of Orrick, Herrington & Sutcliffe.
