

## NOTICE OF PUBLIC HEARING

Notice is hereby given pursuant to Section 147(f) of the Internal Revenue Code of 1986, as amended, that a public hearing will be held before the Executive Director of the California Pollution Control Financing Authority (the "Authority") or her designee on Thursday, October 15, 2015, at 10:00 a.m. or as soon thereafter as such matters may be heard, in Room 470 of 915 Capitol Mall, Sacramento, California, on the proposed issuance of revenue bonds in an aggregate principal amount not to exceed \$126,000,000 (the "Bonds") to refund certain outstanding obligations and to pay costs of issuing the Bonds.

A portion of such Bond proceeds will refund a prior series of the Authority's revenue bonds issued in January, 2002 (the "2002 Prior Bonds").

A portion of such 2002 Prior Bonds were used to refinance the following projects in the County of Alameda:

- (a) vehicle and heavy equipment maintenance shops and associated office space and facilities, a refuse load check/public overflow area with associated office space and facilities, a hazardous waste storage building and associated facilities, and disposal and transportation operations personnel buildings including associated office space and facilities, all of which is located at and associated with the operation of the Davis Street Transfer Station, at 2615 Davis Street, in the City of San Leandro, California.
- (b) a curbside material sort/processing facility and associated equipment and facilities, and a mixed material recovery facility, and associated equipment and facilities, all of which also is located at Davis Street Transfer Station, 2615 Davis Street, in the City of San Leandro, California.
- (c) a leachate extraction and treatment system, a condensate phase separation system, cell and liner systems, and associated equipment and facilities, all of which is located at the Tri Cities Hauling, 7010 Auto Mall Parkway, in the City of Fremont, California.
- (d) liquids treatment system, cell and liner systems, and associated equipment and facilities, together with cell construction located at the Altamont Landfill, 10840 Altamont Pass Road, in the City of Livermore, California.
- (e) a truck maintenance facility, including storage and office space, and a hydraulic cylinder test machine, all of which is located at WM of Alameda County, 172 98th Avenue, in the City of Oakland, California.

A portion of such Bond proceeds will refund a prior series of the Authority's revenue bonds issued in November 2005 (the "2005 Prior Bonds").

A portion of the 2005 Prior Bonds were used to finance the following projects in the County of Alameda:

- (a) improvements to existing landfill facilities, including (i) construction of new disposal cells and liners within currently permitted acreage, (ii) additions and improvements to the leachate collection and treatment system, including leachate trenching, (iii) additions and improvements to the methane gas system, (iv) installation of new liners for intermediate and final closure of completed sections of the landfill facilities, (v) facility improvements, (vi) acquisition of equipment for use at the landfill facilities, and (vii) acquisition of other equipment and assets necessary to support the foregoing improvements and to place them in to service, all located at Tri Cities RDF Landfill, 7010 Auto Mall Parkway, Fremont and Altamont Landfill, 10840 Altamont Pass Road, Livermore; and

- (b) improvements to existing hauling and transfer station facilities, including (i) acquisition of solid waste disposal trucks, containers, and related equipment, (ii) acquisition of solid waste disposal sorting and processing equipment, (iii) facility improvements, and (iv) acquisition of other equipment and assets necessary to support the foregoing improvements and to place them in to service, all located at Livermore Dublin Disposal, 6175 Southfront Road, Livermore; WM of Alameda County, 172 98<sup>th</sup> Avenue, Oakland; Davis Street Transfer Station and Davis Street Recycling, 2615 Davis Street, San Leandro; and Tri Cities RDF Landfill, 7010 Auto Mall Parkway, Fremont.

All financed and refinanced assets were initially operated by Waste Management, Inc. and/or an affiliate thereof (the "Company"). The vehicles and containers currently serve the Company's customers throughout the Company's service territories in the County of Alameda, California, and the containers have been and will continue to be located at the addresses of the Company's customers.

Notice is further given that at said hearing, all proponents and opponents of the facilities refinancing will have an opportunity to be heard on the question as to whether such Bonds should be issued. Interested persons may attend the public hearing in person or by phone at (888) 363-4734, participant code 5487945 or TDD (916) 654-9922. Written comments may also be submitted to the Authority prior to 5:00 p.m., California time, on Wednesday, October 14, 2015. For further information, contact the Authority at 915 Capitol Mall, Room 457, Sacramento, California 95814, by phone at (916) 654-5610, or by facsimile at (916) 657-4821.

Date: October 1, 2015

California Pollution Control Financing Authority

## NOTICE OF PUBLIC HEARING

Notice is hereby given pursuant to Section 147(f) of the Internal Revenue Code of 1986, as amended, that a public hearing will be held before the Executive Director of the California Pollution Control Financing Authority (the "Authority") or her designee on Thursday, October 15, 2015, at 10:00 a.m. or as soon thereafter as such matters may be heard, in Room 470 of 915 Capitol Mall, Sacramento, California, on the proposed issuance of revenue bonds in an aggregate principal amount not to exceed \$126,000,000 (the "Bonds") to refund certain outstanding obligations and to pay costs of issuing the Bonds.

A portion of such Bond proceeds will refund a prior series of the Authority's revenue bonds issued in November 2005 (the "2005 Prior Bonds").

A portion of the 2005 Prior Bonds were used to finance the following projects in the County of Monterey:

improvements to existing hauling and transfer station facilities, including (i) acquisition of solid waste disposal trucks, containers, and related equipment, (ii) acquisition of solid waste disposal sorting and processing equipment, (iii) facility improvements, and (iv) acquisition of other equipment and assets necessary to support the foregoing improvements and to place them in to service, all located at Salinas Disposal Service, Inc., 11240 Commercial Parkway, Castroville.

All financed assets were initially operated by Waste Management, Inc. and/or an affiliate thereof (the "Company"). The vehicles and containers currently serve the Company's customers throughout the Company's service territories in the County of Monterey, California, and the containers have been and will continue to be located at the addresses of the Company's customers.

Notice is further given that at said hearing, all proponents and opponents of the facilities refinancing will have an opportunity to be heard on the question as to whether such Bonds should be issued. Interested persons may attend the public hearing in person or by phone at (888) 363-4734, participant code 5487945 or TDD (916) 654-9922. Written comments may also be submitted to the Authority prior to 5:00 p.m., California time, on Wednesday, October 14, 2015. For further information, contact the Authority at 915 Capitol Mall, Room 457, Sacramento, California 95814, by phone at (916) 654-5610, or by facsimile at (916) 657-4821.

## NOTICE OF PUBLIC HEARING

Notice is hereby given pursuant to Section 147(f) of the Internal Revenue Code of 1986, as amended, that a public hearing will be held before the Executive Director of the California Pollution Control Financing Authority (the "Authority") or her designee on Thursday, October 15, 2015, at 10:00 a.m. or as soon thereafter as such matters may be heard, in Room 470 of 915 Capitol Mall, Sacramento, California, on the proposed issuance of revenue bonds in an aggregate principal amount not to exceed \$126,000,000 (the "Bonds") to refund certain outstanding obligations and to pay costs of issuing the Bonds.

A portion of such Bond proceeds will refund a prior series of the Authority's revenue bonds issued in January, 2002 (the "2002 Prior Bonds").

A portion of such 2002 Prior Bonds were used to refinance the following projects in the County of Santa Clara:

acquisition, installation, construction or reconstruction of a leachate treatment system, a groundwater interceptor trench, 2 new landfill cells with composite liners and associated equipment and facilities, all of which is located at the Kirby Canyon Landfill at 910 Coyote Creek Golf Drive, in the City of Morgan Hill, California. The facilities have already been acquired and/or constructed, and are operated by one or more corporations affiliated with Waste Management Inc., a Delaware Corporation.

A portion of such Bond proceeds will refund a prior series of the Authority's revenue bonds issued in November 2005 (the "2005 Prior Bonds").

A portion of the 2005 Prior Bonds were used to finance the following projects in the County of Santa Clara:

- (a) improvements to existing landfill facilities, including (i) construction of new disposal cells and liners within currently permitted acreage, (ii) additions and improvements to the leachate collection and treatment system, including leachate trenching, (iii) additions and improvements to the methane gas system, (iv) installation of new liners for intermediate and final closure of completed sections of the landfill facilities, (v) purchase of land, (vi) facility improvements, (vii) acquisition of equipment for use at the landfill facilities, and (viii) acquisition of other equipment and assets necessary to support the foregoing improvements and to place them in to service, all located at Kirby Canyon Landfill, 910 Coyote Creek Golf Drive, Morgan Hill; Guadalupe Rubbish Disposal Co., 15999 Guadalupe Mines Road, San Jose; and
- (b) improvements to existing hauling and transfer station facilities, including (i) acquisition of solid waste disposal trucks, containers, and related equipment, (ii) acquisition of solid waste disposal sorting and processing equipment, (iii) facility improvements, and (iv) acquisition of other equipment and assets necessary to support the foregoing improvements and to place them in to service, all located at Palo Alto Sanitation Co. (PASCO), 2000 Geng Road, Palo Alto; Green Valley Disposal Co., 573 University Avenue, Los Gatos; CMC Recycling, 11260 Commercial Parkway, Castroville; and WM of Santa Clara County, 1675 Rogers Avenue, San Jose.

All financed and refinanced assets were initially operated by Waste Management, Inc. and/or an affiliate thereof (the "Company"). The vehicles and containers currently serve the Company's customers throughout the Company's service territories in the County of Santa Clara, California, and the containers have been and will continue to be located at the addresses of the Company's customers.

Notice is further given that at said hearing, all proponents and opponents of the facilities refinancing will have an

opportunity to be heard on the question as to whether such Bonds should be issued. Interested persons may attend the public hearing in person or by phone at (888) 363-4734, participant code 5487945 or TDD (916) 654-9922. Written comments may also be submitted to the Authority prior to 5:00 p.m., California time, on Wednesday, October 14, 2015. For further information, contact the Authority at 915 Capitol Mall, Room 457, Sacramento, California 95814, by phone at (916) 654-5610, or by facsimile at (916) 657-4821.

## NOTICE OF PUBLIC HEARING

Notice is hereby given pursuant to Section 147(f) of the Internal Revenue Code of 1986, as amended, that a public hearing will be held before the Executive Director of the California Pollution Control Financing Authority (the "Authority") or her designee on Thursday, October 15, 2015, at 10:00 a.m. or as soon thereafter as such matters may be heard, in Room 470 of 915 Capitol Mall, Sacramento, California, on the proposed issuance of revenue bonds in an aggregate principal amount not to exceed \$126,000,000 (the "Bonds") to refund certain outstanding obligations and to pay costs of issuing the Bonds.

A portion of such Bond proceeds will refund a prior series of the Authority's revenue bonds issued in January, 2002 (the "2002 Prior Bonds").

A portion of such 2002 Prior Bonds were used to refinance the following projects in the County of Ventura:

acquisition, installation, construction or reconstruction of a perimeter access road, a landfill disposal cell and a gas recovery facility, flare and associated equipment and facilities, all of which is located at the Simi Valley Landfill, 2801 Madera Road, in the City of Simi Valley, Ventura County, California except for part of the gas recovery equipment which is located at the Simi Valley Sanitation District at 500 West Los Angeles Avenue, in the City of Simi Valley, California. The facilities have already been acquired and/or constructed, and are operated by one or more corporations affiliated with Waste Management Inc., a Delaware Corporation.

A portion of such Bond proceeds will refund a prior series of the Authority's revenue bonds issued in November 2005 (the "2005 Prior Bonds").

A portion of the 2005 Prior Bonds were used to finance the following projects in the County of Ventura:

- (a) improvements to existing landfill facilities, including (i) construction of new disposal cells and liners within currently permitted acreage, (ii) additions and improvements to the leachate collection and treatment system, including leachate trenching, (iii) additions and improvements to the methane gas system, (iv) installation of new liners for intermediate and final closure of completed sections of the landfill facilities, (v) purchase of land, (vi) facility improvements, (vii) acquisition of equipment for use at the landfill facilities, and (viii) acquisition of other equipment and assets necessary to support the foregoing improvements and to place them in to service, all located at Simi Valley Landfill and Recycling Center, 2801 N. Madera Road, Simi Valley; and
- (b) improvements to an existing hauling and transfer station facility, including (i) acquisition of solid waste disposal trucks, containers, and related equipment, (ii) acquisition of solid waste disposal sorting and processing equipment, (iii) facility improvements, and (iv) acquisition of other equipment and assets necessary to support the foregoing improvements and to place them in to service, all located at GI Industries, 195 West Los Angeles Avenue, Simi Valley.

All financed and refinanced assets were initially operated by Waste Management, Inc. and/or an affiliate thereof (the "Company"). The vehicles and containers currently serve the Company's customers throughout the Company's service territories in the County of Ventura, California, and the containers have been and will continue to be located at the addresses of the Company's customers.
