California School Finance Authority Financing Fee Schedule

The Authority has adopted the following fees that will apply to all participating parties for stand-alone or pooled financings.

<u>Application Fee:</u> The application fee will be payable upon the submission of an application for financing through the Authority. The application fee will offset the cost of staff time reviewing the application and preparing a recommendation for board approval. This fee is nonrefundable.

This fee will be paid out of bond proceeds at the time a financing is closed. The applicant also shall reimburse the Authority for all reasonable and necessary out of pocket expenses which the Authority may incur at the applicant's request and all other expenses direct or indirect, properly allocable to the proposed financing. Unless paid out of the proceeds of the bonds issued, all fees for a particular proposed financing shall be paid by the applicant and deposited in the Authority Fund.
