

MEMORANDUM**Staff Summary No. 7**

Date: May 19, 2016

To: Members of the California School Finance Authority

From: Katrina M. Johantgen, Executive Director

Subject: Approval to Augment Round 11 State Charter School Facilities Incentive Grants Program (CFDA 84.282D) Awards

Background: The California School Finance Authority made awards under Round 11 of the State Charter School Facilities Incentive Grants Program (CFDA 84.282D) in July and August of 2015. Funding recommendations and award amounts are brought to the board for approval. After such approval, staff is charged with conducting further due diligence, executing grant agreements, and making monthly disbursement of grant funds.

Issue: A recent audit of the Program identified the following schools as being eligible for grant amounts larger than those approved last summer. Given that board approval is necessary to grant funds, the augmentation of grant amounts for the following schools is necessary.
