**DESIGNATION BY POOLED MONEY INVESTMENT BOARD  
OF TREASURY POOLED MONEY INVESTMENTS AND DEPOSITS**

In accordance with sections 16480 through 16480.8 of the Government Code, the Pooled Money Investment Board, at its meeting on April 17, 2019, has determined and designated the amount of money available for deposit and investment as of April 5, 2019, under said sections. In accordance with sections 16480.1 and 16480.2 of the Government Code, it is the intent that the money available for deposit or investment be deposited in bank accounts and savings and loan associations or invested in securities in such a manner so as to realize the maximum return consistent with safe and prudent treasury management, and the Board does hereby designate the amount of money available for deposit in bank accounts, savings and loan associations, and for investment in securities and the type of such deposits and investments as follows:

- In accordance with Treasurer's Office policy, for deposit in demand bank accounts as  
Compensating Balance for Services: 271,800,000

The active noninterest-bearing bank accounts designation constitutes a calendar month average balance. For purposes of computing the compensating balances, the Treasurer shall exclude from the daily balances any amounts contained therein as a result of nondelivery of securities purchased for "cash" for the Pooled Money Investment Account and shall adjust for any deposits not credited by the bank as of the date of deposit. The balances in such accounts may fall below the above amount provided that the balances computed by dividing the sum of daily balances of that calendar month by the number of days in the calendar month reasonably approximates that amount. The balances may exceed this amount during heavy collection periods or in anticipation of large impending warrant presentations to the Treasury, but the balances are to be maintained in such a manner as to realize the maximum return consistent with safe and prudent treasury management.

- In accordance with law, for investment in securities authorized by section 16430, Government Code, or in term interest-bearing deposits in banks and savings and loan associations as follows:

**NEW COMMERCIAL PAPER ISSUER**

## **Pooled Money Investment Board Meeting**

Proposed Commercial Paper Issuers

April 17, 2019

The State Treasurer's Office Investment Division staff recommends the PMIB approve the following new Commercial Paper programs as authorized investments for the Pooled Money Investment Account (PMIA):

### **Citigroup Global Markets Inc.**

Citigroup Global Markets Inc. was incorporated in 1981 under the name Salomon Smith Barney. On April 7, 2003 the name changed to Citigroup Global Markets, Inc. The firm is based in New York, New York and is a core subsidiary of Citigroup Inc., which has 4,000 employees in California.

The firm engages in securities underwriting, sales and trading, investment banking, financial advisory and investment research services. They are registered as a broker-dealer and also as an investment adviser with the Securities and Exchange Commission (SEC).

The Citigroup Global Markets Inc. Commercial Paper Program is a \$10 billion program and is highly rated at **P-1/A-1/F1** by Moody's, S&P, and Fitch, respectively.

### **The Walt Disney Company**

The Walt Disney Company was founded in 1923 as the Disney Brothers Cartoon Studio, changing its name to The Walt Disney Company in 1986. Disney is headquartered in Burbank, California with over 23,000 employees in California

The Walt Disney Company's Commercial Paper Program was first approved as a PMIA authorized investment in 1996 and has been purchased numerous times since then. Due to The Walt Disney Company's purchase of Twenty-First Century Fox's entertainment assets, the program was restructured in early 2019 and became TWDC Holdco 613 Corp and removed from the approved list of PMIA authorized investments. After the acquisition of Twenty-First Century Fox officially closed March 20, 2019, the Commercial Paper Program was renamed to The Walt Disney Company. The Walt Disney Company, together with its subsidiaries and affiliates, is a leading diversified international family entertainment and media enterprise.

The Walt Disney Company Commercial Paper Program is a \$12 billion program and is highly rated at **P-1/A-1/F1** by Moody's S&P, and Fitch, respectively.

Adding these two names to the list of approved PMIA investments would provide additional diversity and flexibility in Prime investment options at competitive yields, without incurring a high level of risk.
