DESIGNATION BY POOLED MONEY INVESTMENT BOARD OF TREASURY POOLED MONEY INVESTMENTS AND DEPOSITS

1875

In accordance with sections 16480 through 16480.8 of the Government Code (GC), the Pooled Money Investment Board, at its meeting on May 18, 2022, has determined and designated the amount of money available for deposit and investment as of May 5, 2022, under said sections. In accordance with sections 16480.1 and 16480.2 of the GC, it is the intent that the money available for deposit or investment be deposited in bank accounts and savings and loan associations or invested in securities in such a manner so as to realize the maximum return consistent with safe and prudent treasury management, and the Board does hereby designate the amount of money available for deposit in bank accounts, savings and loan associations, and for investment in securities and the type of such deposits and investments as follows:

1. In accordance with Treasurer's Office policy, for deposit in demand bank accounts as:

a. Compensating Balance for Services

\$1,306,000,000

The active noninterest-bearing bank accounts designation constitutes a calendar month average balance. For purposes of computing the compensating balances, the Treasurer shall exclude from the daily balances any amounts contained therein as a result of nondelivery of securities purchased for "cash" for the Pooled Money Investment Account and shall adjust for any deposits not credited by the bank as of the date of deposit. The balances in such accounts may fall below the above amount provided that the balances computed by dividing the sum of daily balances of that calendar month by the number of days in the calendar month reasonably approximates that amount. The balances may exceed this amount during heavy collection periods or in anticipation of large impending warrant presentations to the Treasury, but the balances are to be maintained in such a manner as to realize the maximum return consistent with safe and prudent treasury management.

b. Interest Bearing Accounts for Cash Flow Variability:

\$ 1,000,000,000

JP Morgan Chase Bank Bank of the West \$ 500,000,000

\$ 500.000.000

Time Deposits in

The interest bearing bank account designation represents targeted balances to be averaged over one month's period to smooth cash flow variability. The balances may fluctuate above and below these amounts as needed to manage cash flow variances and to meet daily liquidity needs. Interest earnings for these accounts will be calculated according to the terms of the agreement between the Treasurer's Office and the account's depository bank, paid monthly and recorded as a deposit into the state's main demand deposit account, and allocated quarterly by the State Controller's Office as directed by GC 16475 and GC 16480.6.

2. In accordance with law, for investment in securities authorized by section 16430, GC, or in term interest-bearing deposits in banks and savings and loan associations as follows:

Dear Kristalyn Fong:

Request to Establish Special Deposit Fund Account – Charter School Access Bank Loan Enhancement Program (Charter ABLE)

We have reviewed your March 10, 2022 request to establish a Special Deposit Fund (SDF) account titled Charter Access Bank Loan Enhancement Program (Charter ABLE). The purpose of this SDF account is to deposit funds awarded to California School Finance Authority to administer the Credit Enhancement of Charter School Facilities Program. The award amount will be held in an interest-bearing account until they are pledged to investors and transferred to a trustee or third party per the Performance Agreement.

Based on the information provided and concurrence with your Department of Finance budget analyst, we approve your request.

We will forward a copy of this letter and the original AUD 10 form, Request to State Controller to Establish or Amend Special Deposit Fund Account, to the State Controller's Office (SCO) for processing. The SCO will notify you when processing is complete.

To allow the new SDF account to participate in the Surplus Money Investment Fund, please submit a request to Tracey Paine, Pooled Money Investment Board, at the State Treasurer's Office.

If the account can be closed earlier than June 30, 2027 please submit a letter to the SCO with a copy to our office. If the account is needed beyond the expiration date, please submit an amended AUD 10 form to our office at least 45 days prior to the expiration date. If you have any questions, please contact Jannie Wen at (916) 445-3434, extension 2864 or by e-mail at Jannie.Wen@dof.ca.gov.
